- Free spatula for flipping, stirring and removing food

Smart features
- Grease drainage

PHILIPS

Table grill
2000 W Ribbed plate(Extra thick), High temperature grill plate

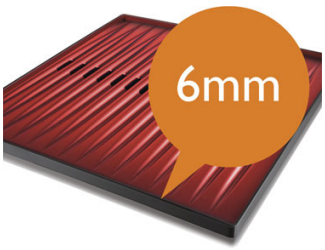
HD4417/25

Highlights

High temperature grill plate

The high temperature of the Philips electric grill plate seals in all the juices and flavour of the food. That's because the moment the food comes into contact with the surface of the grill, it begins to sizzle and brown, forming a tasty crust that keeps all the goodness and flavour inside, where it belongs.

Extra thick grill plate



The extra thick grill plate retains more heat than a standard grill, so it stays hot, even when you place frozen food onto it. This constant temperature cooks food faster and more evenly. It also keeps the plate hot in those first crucial moments when you place food onto the grill, sealing in all the flavour and juices.

Adjustable thermostat

Adjustable thermostat ensures the perfect result.

Upright storage

Easy to store upright; tidy storage of cord and tray.

Dishwasher-safe parts

Dishwasher-safe parts make cleaning easy.

Grease drainage

Excess grease is drained to removable tray.

Specifications

General specifications
- Integrated on/off switch
- Temperature light
- Cool-touch handgrips
- Non-slip feet
- Cord storage
- Grease tray storage

Technical specifications
- Cord length: 1 m
- Power: 2000 W
- Voltage: 220-240 V
- Frequency: 50/60 Hz

Design and finishing
- Color(s): Metal/black
- Materials: Steel housing / ALU grilling plate / plastic parts

Weight and dimensions
- Product dimensions (W x H x D): 445.9 x 73 x 312 mm
- Weight appliance: 3.7 kg
- Grill plate dimensions (W x D): 300 x 300 mm

Issue date 2014-01-27
